`game-of-life.c` `merge.c`

Conway's Game of Life @ wiki

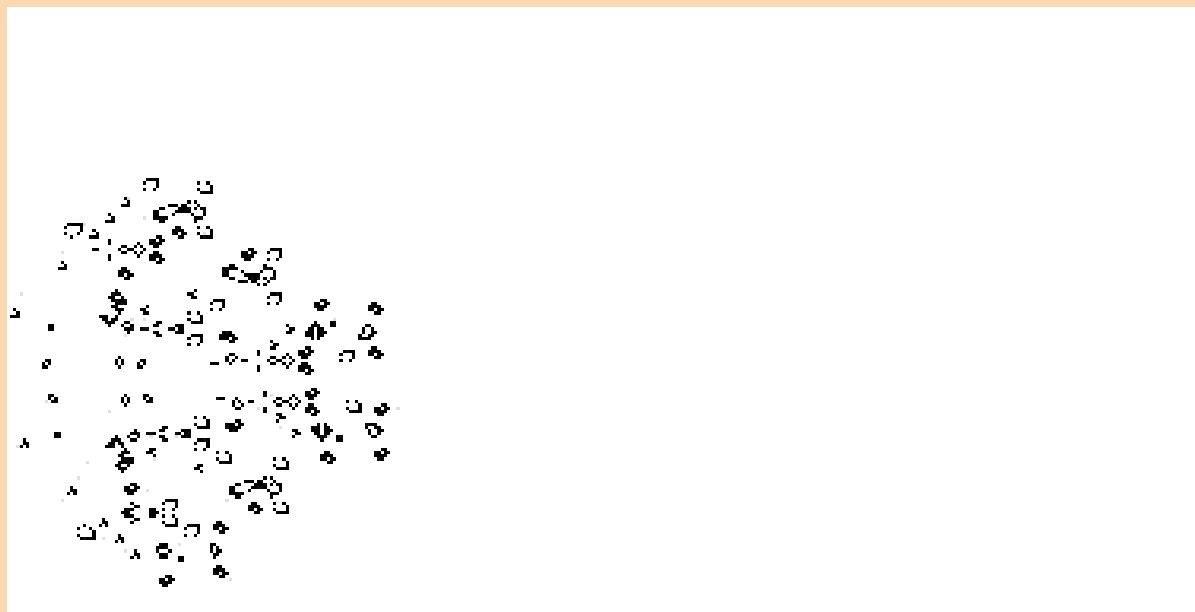

John Horton Conway (1937 ~ 2020)

Conway's Game of Life @ wiki

playgameoflife.com (Cellular Automata; 元胞自动机)

- Any **live** cell with two or three live neighbours survives.
- All other **live** cells die in the next generation.
- Any **dead** cell with three live neighbours becomes a live cell.
- All other **dead** cells stay dead.

Merge (**merge.c**)
