$$J(2^m + l) = 2l + 1 \quad (m \geq 0 \wedge 0 \leq l < 2^m)$$

SECOND
EDITION

Data Structures and Algorithm Analysis in C

Mark Allen Weiss

Algorithms in C

Robert Sedgewick

The logo for CNCC 2023 is centered within a white rectangular border. It features the text "CNCC" in a large, white, sans-serif font, with the "N" stylized as two overlapping 'V' shapes. Below "CNCC" is the year "2023" in a similar white, sans-serif font. The background of the logo is a solid brown color, which is itself set against a larger background of light brown and beige wavy lines.
