

**What are we
missing?**

switch/case (Section 5.3)

continue (Section 6.4.2)

goto (Section 6.4.3)

Macro (宏) (Chapter 14)

Bit Manipulation (Chapter 20)

File Operations (Section 22.2)

Print Your Code for review by Elon Musk.

Most code is reviewed in Github, Gitlab or somewhere online, but that is *too* efficient. Why not print out your code and submit the printout by **fax** for review by **Elon Musk** personally!
